**Alan Irvine**

Artistic Discipline(s) Multidisciplinary  
GPAC Member Since 19 April 2018

**Artist Statement**

I work with stories. As a Storyteller, I tell stories, especially traditional folk tales and legends, Irish and Celtic tales, ghost stories, PA folk tales and history, and literary adaptations. I direct them, working with companies like PSIP and Steel City theater to present Shakespeare and literary adaptions, and my own company Brawling Bard theater which presents new comedies based on classic drama. And I write stories - plays, short stories, novels.
